business meeting.

Around the Car Barns

-you'll hear almost all of the boys say: "Mayo's is the best buy in this part of the country.

In Mayo's you get that high-quality Burley tobacco that has made Burley leaf a nation-wide favorite with pipe smokers. Mayo's Cut Plug is the king-pin pipe-smoke of them all. Men by the tens of thousands all over New England will tell you the same.

Mayo's Cut Plug has a wonderful, rich, sweet, mellow and mild flavor to it, that makes every puff of Mayo's a tongue-smacking delight—and the good of it is you can keep on smoking it all day long. Mayo's doesn't "kick back". Every pipeful is good for you.

Mayo's Gut Plug

There are no pains or no expense too great for us to take to make our brands absolutely the best on the market.

The choicest of the world's crops of tobacco come to us; we employ the most scientific methods of treating tobaccos; our manufacturing experts are the most skilled tobacco makers.

Please bear these facts in mind when we say to you—that we do not know of any other cut plug to equal Mayo's!
